# Volunteer Call Outs

---

## Promise Partnership

The Student Mentoring Program pairs UNB Saint John student volunteers with youth from kindergarten to grade 5 at Hazen White-St. Francis School.

From September to April volunteers spend an hour a week at Hazen White-St. Francis. Mentors provide educational support through engaging in structured activities designed to assist in literacy learning.

Sessions run Monday to Thursday through fall and winter semesters. Mentoring provides the youth with a positive role model, as well as academic and social support. UNB Saint John volunteers gain hands-on experience and build meaningful connections. The High School Tutoring Program is a twice-weekly tutoring initiative offered to the youth from Crescent Valley and the Old North End in grades 9-12.

This intensive tutoring initiative based out of our Saint John campus is geared to ensure students are on track for a timely high school graduation and to encourage post-secondary options.

## Committee Representatives

The UNB-SRC is committed to prioritizing you! Your voice and involvement matters and is an asset to UNB Saint John. Use your voice and apply to be a representative on a committee this year! Find more information about committees by [clicking here](#), or to fill out the application form!

# Clubs and Societies Fair

## Become a Member!

Are you looking to be more involved on campus this year? Becoming a member of a club or society on campus is the best way to start your journey of involvement!

Members play a supportive role in the operation of clubs and societies! This can be done through attending events, providing feedback, without any commitments!

## Don't see one you like?

Consider starting your own!!

If you are interested in starting a new club or society, reach out to our VP Finance and Operations (Kirsten Hurley) to get more information!

Contact Kirsten by emailing [finance@unbsrc.ca](mailto:finance@unbsrc.ca)
